

Autumn

activity book

Activity book for the **fall period**

Here is a little activity book to **entertain your children** during the holidays or on a rainy day. :-)

You'll find inside little **play games** that children loooove : mazes, dot to dot, 7 errors and much more !

The **free printables** at kidslife.co are for personal use only, you may not sell, share, or link directly to these files.

This activity book is free, you can print it whenever you want. So please, **do share the website url if you like it.** It's the best way to thanks me. :-)

I hope your kids will love it !

See you soon,

Sonia

The good silhouette

Link the animal to the corresponding shadow.

Leaves everywhere

Among all these autumn leaves, find the single oak's leaf.

Connect the dots

Connect points to discover what is hidden.

Butterfly to enrich

Filled the butterfly by reproducing the motifs already drawn.

Labyrinth

Help the little hedgehog to find his mother.

Logical sequence

Complete the logical sequence.

Fall's jigsaw

Cut out the pieces and replace them in the correct order on another sheet.
You will also be able to color the puzzle once it is put back in place.

Magical rain

Suppose the raindrops were of all colors?
Have fun by adding colorful drops and continuing the cloud's stripes.

7 errors

Spot the 7 differences between these two drawings and tick each time you find one.

Feeding animals

Connect each animal to what it eats.

Question of size

Classify these mushrooms by numbering them from the smallest to the largest.

Labyrinth

Help each child find his kite.

Magic coloring

Color this drawing according to the color code.

The good silhouette

Connect each sheet to the corresponding shadow.

How old are the trees ?

Guess the age of each tree by counting the number of dark circles.

Fall's pictures

Circle what you can find in autumn.

Connect the dots

Connect points to discover what is hidden.

7 errors

Find the 7 differences between these two drawings and tick each time you find one.

Jeweled Trees

Inspire yourself from what you see to make your own jewelry tree.

Natasha Wescoat is an American artist, born in 1982.

She is well known for her pretty trees so particular and colorful, called Jeweled Trees.

Labyrinth

Help the frog to join his nenuphar.

Connect the dots

Connect points to discover what is hidden.
